DECORATIONS

You are welcome to decorate the room for your event, with certain caveats. There is no attaching to, drilling into, or taping onto the walls. All decorations should be freestanding or placed on tables. Candles are allowed, but only if they are liquid fuel or electronic. No wax candles on the tables. No confetti or glitter bombs, especially not plastic/non-biodegradable.

MUSIC

We have Apple HomePods in the room that we play music on. You can access the HomePods wirelessly if you'd like to play your own music.

If you have a DJ for the event, please note that there are two available electrical outlets (each outlet has 4 plugs) and they are to provide all of their own equipment, including extension cords, etc. We also have noise limits (85 decibels), and will ask to lower the volume should the limits be exceeded.

ROOM ACCESS

We are open from 11 am until 9 pm weekdays and 11 pm to 9 pm on Saturday. If there are no other events leading up to your event, you are welcome to decorate, etc. a couple of days prior to the event. If special arrangements need to be made, we will do our best to accommodate but cannot promise that all requests will be granted.

Although this document is meant to answer as many questions as possible, there will always be something not covered by this document. We ask that you be understanding and allow that occasionally we simply cannot do what is being asked. We will always try our best to make your event a success.

Thank you.
